## **E. Notes to the condensed interim financial statements**

### **1. Corporate information**

Intraco Limited (the Company) is incorporated and domiciled in Singapore and the Company's shares are publicly traded on the Mainboard of the Singapore Exchange. These condensed interim financial statements as at and for the six months ended 30 June 2024 comprise the Company and its subsidiaries (collectively, the Group). The Group is primarily involved in the trading and distribution of plastics resin and liquors, provision of trade finance and supply chain solutions, provision of passive fire protection products and services, provision of mobile radio infrastructure management services, provisions of corporate advisory services related to digital assets and investments.

### **2. Basis of Preparation**

The condensed interim financial statements for the six months ended 30 June 2024 have been prepared in accordance with SFRS(I) 1-34 *Interim Financial Reporting* issued by the Accounting Standards Council Singapore. The condensed interim financial statements do not include all the information required for a complete set of financial statements. However, selected explanatory notes are included to explain events and transactions that are significant for an understanding of the changes in the Group's financial position and performance of the Group since the last annual financial statements for the year ended 31 December 2023.

The accounting policies adopted are consistent with those of the previous financial year which were prepared in accordance with SFRS(I)s, except for the adoption of new and amended standards as set out in Note 2.1.

The condensed interim financial statements are presented in Singapore dollar which is the Company's functional currency.

#### **2.1 New and amended standards adopted by the Group**

During the current financial period, the Group and the Company have adopted the amendments to SFRS(I)s which took effect from financial year beginning 1 January 2024. The adoption of these amendments to SFRS(I)s is assessed to have no material financial effect on the results and financial position of the Group and of the Company for the financial year ending 31 December 2023. Accordingly, it has no material impact on the earnings per share of the Group and of the Company.

#### **2.2 Use of judgements and estimates**

In preparing the condensed interim financial statements, management has made judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets and liabilities, income and expense. Actual results may differ from these estimates.

**E. Notes to the condensed interim financial statements (cont'd)**

**2.2 Use of judgements and estimates (cont'd)**

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimates are revised and in any future periods affected.

### 1. Review

The consolidated statement of financial position of Intraco Limited and its subsidiaries as at 30 June 2024 and the related consolidated profit or loss and other comprehensive income, consolidated statement of changes in equity and consolidated statement of cash flows for the six-month period then ended and certain explanatory notes have not been audited or reviewed.

### 2. Review of performance of the Group

#### ***Consolidated Statement of Profit or Loss – H1 FY2024 vs H1 FY2023***

##### Revenue

Revenue increased by S\$15.3 million or 19.5% from S\$78.7 million in H1 FY2023 to \$94.0 million in H1 FY2024 due mainly to higher revenue from the Group's Trading and Distribution business. Revenue from the Trading and Distribution business increased by S\$15.8 million or 21.6% from S\$73.2 million in H1 FY2023 to S\$89.0 million in H1 FY2024 due to the higher demand of plastic resins in Indonesia market in H1 FY2024 compared with H1 FY2023.

Revenue from the Fire Protection Segment decreased by S\$1.0 million or 28.6% from S\$3.5 million in H1 FY2023 to S\$2.5 million in H1 FY2024. The revenue decreased mainly due to the delay of certain projects and fewer new projects secured.

Revenue from the mobile radio infrastructure management and corporate advisory services increased by S\$0.4 million or 20.0% from S\$2.0 million in H1 FY2023 to S\$2.4 million in H1 FY2024 due mainly to higher revenue attributable from the mobile radio infrastructure management of S\$0.4 million.

##### Gross profit

Gross profit decreased by S\$0.5 million or 11.9% from S\$4.4 million in H1 FY2023 to S\$3.8 million in H1 FY2024 due mainly to the lower profit margins obtained both from the passive fire protection and trading and distribution business segments.

##### Other income and expenses

Increase in other income of S\$0.1 million was mainly due to the increase of government grants. The government grants in H1 FY2024 included childcare leave, government paid leave and wage credit scheme. Other expenses remain relatively unchanged for both H1 FY2024 and H1 FY2023.

##### Administrative expenses

Administrative expenses decreased by S\$0.2 million or 5.4% from S\$4.5 million in H1 FY2023 to S\$4.3 million in H1 FY2024 was mainly due to costs savings. The main reduction of the administrative expenses was the salary and related cost of approximately S\$0.1 million in H1 FY2024 compared with H1 FY2023. There was also a reduction of S\$0.1 million of the rental expenses following the reduction of the number of foreign workers for the Group's passive fire protection business.

**F. Other information required by Listing Rule Appendix 7.2 (cont'd)**

**2. Review of performance of the Group (cont'd)**

Finance and investment income

The increase in finance and investment income of approximately S\$0.1 million or 16.6% in H1 FY2024 was mainly due to investments in higher-yielding products such as trade financing.

Finance costs

The increase in finance cost from S\$0.4 million in H1 FY2023 to S\$0.5 million in H1 FY2024 was mainly due to higher interest expenses incurred from borrowings to fund the Group's working capital requirements for its trading and distribution business.

Profit for the period

The Group recorded a profit of S\$0.3 million for the period in H1 FY2024 as compared to a profit of S\$0.4 million in H1 FY2023. The decrease in profits was mainly due to the lower gross profit of S\$0.5 million, offset by (1) the cost savings of S\$0.2 million, (2) higher other income of S\$0.1 million and (3) higher finance and investment income of S\$0.1 million.

**Consolidated Statement of Financial Position**

The decrease in property, plant and equipment from S\$9.9 million in FY2023 to S\$9.3 million as at 30 June 2024 was mainly due to the depreciation expense amounting to S\$0.9 million, offset against additions of property, plant and equipment of S\$0.3 million, mainly due to the increase for the right of use related to the office rental of S\$0.2 million.

The reduction of the long-term investments from S\$3.0 million in FY2023 to S\$1.6 million as at 30 June 2024 was mainly due to the reclassification of the long-term corporate bond to short-term corporate bond of S\$2.0 million as the bond will be maturing in February 2025 and reduction of the investment in the financial assets at FVTPL of S\$0.4 million, offset against the investment in SlideSG. Pte. Ltd., a major payment institution amounting to S\$1.0 million.

The reduction of the short-term investments from S\$13.0 million in FY2023 to S\$3.7 million as at 30 June 2024 was mainly due to the reduction of the placement of short-term securities. The Group placed fixed deposits instead of short-term securities which resulted in an increase in cash and cash equivalents.

**F. Other information required by Listing Rule Appendix 7.2 (cont'd)**

**2. Review of performance of the Group (cont'd)**

The slight decrease in inventory of S\$0.2 million, mainly resulted from the sales of the liquors for the Trading and Distribution business of S\$0.1 million and sales of the fire protection products of S\$0.1 million from the fire protection business during the financial period.

The increase in trade and other receivables of S\$38.3 million as at 30 June 2024 compared with S\$19.9 million in the prior period was mainly due to loan receivables amounting to S\$12.7 million. There were also higher trade receivables of approximately S\$3.6 million as at 30 June 2024 compared to the prior period for the Group's Trading and Distribution business as a result of higher business volume and revenue in June 2024 compared with December 2023.

The increase in loans and borrowings of S\$9.0 million was mainly due to the amount payable to commercial paper subscribers. Short-term commercial papers of S\$10.9 million was raised as at 30 June 2024 to fund the Group's working capital requirements for its Trading and Distribution business in lieu of bank borrowings which has higher borrowing cost.

***Consolidated Statement of Cash Flow***

The cash flows used in operating activities of S\$18.0 million was mainly due to the increase in trade and other receivables. S\$12.7 million of the trade and other receivables comprised loan receivables which generate an average interest yield ranging from 4.3% to 8.3% per annum.

The cash flows generated from investing activities of S\$11.6 million relates to the redemption of commercial papers of approximately S\$10.7 million.

The cash flows from financing activities of S\$8.0 million mainly comprised additional funds raised from the S\$9.8 million commercial paper programme. The funds were raised to fund the Group's working capital requirement for its Trading and Distribution business in lieu of bank borrowings which are of higher cost. The Group has fully settled the trust receipts during the financial period.

**3. Where a forecast, or a prospect statement, has been previously disclosed to shareholders, any variance between it and the actual results**

Not applicable.

**4. A commentary at the date of the announcement of the significant trends and competitive conditions of the industry in which the Group operates and any known factors or events that may affect the Group in the next operating period and the next 12 months**

The Group's Trading and Distribution division will continue to intensify its efforts to grow and optimize its business operations notwithstanding the persisting challenges it is expected to face, in particular due to heightened global geo-political tensions, volatility in ocean freight costs and prolonged high interest rates, which may adversely affect businesses and trade as a whole. It will continue to strive to expand its product range, increase the number of customers in its principal markets as well as sell into new markets. For the Group's provision of mobile radio infrastructure management services to the North-East MRT Line in Singapore, its extension service contract has expired on 31 July 2024 leaving only one remaining management service contract up to 31 December 2026.

On 22 May 2024, the Company announced its plan to divest and exit from the passive fire protection business. The Company will convene an extraordinary general meeting to seek its independent shareholders' approval for the aforementioned divestment and proposed capital reduction and expects to complete the divestment and capital reduction by the first quarter of 2025.

The Group intends to focus on its plastics resin trading and distribution in Singapore and the region, trade finance and supply chain solutions businesses, digital assets and tokenization advisory services and regulated domestic and cross -border money transfers and money-changing services. Subject to the approval of the Monetary Authority of Singapore, as set out in the Company's earlier announcements on 5 September 2023, 20 November 2023 and 5 December 2023 and its circular to shareholders on its proposed investment into SlideSG Pte. Ltd., a major payment institution, the Group intends to further increase its equity interest in SlideSG Pte. Ltd. from its current 19.9% to up to 50%.
