HONG KONG LISTING RULES IMPLICATIONS

CQ Pharma Mutual Supply Agreement

CQ Pharma Holdings is a substantial shareholder of Yao Pharma, an indirect non-wholly owned subsidiary of the Company, therefore, CQ Pharma Holdings is a connected person of the Company at the subsidiary level under Rule 14A.07(1) of the Hong Kong Listing Rules. As a result, the transactions contemplated under the CQ Pharma Mutual Supply Agreement constitute continuing connected transactions of the Company under Chapter 14A of the Hong Kong Listing Rules. As the highest applicable percentage ratio (other than the profit ratio) calculated in accordance with the Hong Kong Listing Rules for the continuing connected transactions under the CQ Pharma Mutual Supply Agreement on an annual basis is more than 1% but less than 5%, and the transactions contemplated under the CQ Pharma Mutual Supply Agreement are conducted on normal commercial terms, such transactions will be subject to the reporting, announcement and annual review requirements but exempted from the independent shareholders' approval requirement under Chapter 14A of the Hong Kong Listing Rules.

Framework Tenancy Agreements

Fosun International is the controlling shareholder of the Company and therefore a connected person of the Company under Rule 14A.07 of the Hong Kong Listing Rules. Therefore, the transactions contemplated under the Framework Tenancy Agreements constitute continuing connected transactions of the Company under Chapter 14A of the Hong Kong Listing Rules. As the highest applicable percentage ratio (other than the profit ratio) for the continuing connected transactions under the Framework Tenancy Agreements is more than 0.1% but less than 5% on an annual basis, the Framework Tenancy Agreements are subject to the reporting, announcement and annual review requirements but exempt from the independent shareholders' approval requirement under Chapter 14A of the Hong Kong Listing Rules.

Fosun International Fosun International Mutual Supply Framework Agreement

Fosun International is the controlling shareholder of the Company and therefore a connected person of the Company under Rule 14A.07 of the Hong Kong Listing Rules. Therefore, the transactions contemplated under the Fosun International Mutual Supply Framework Agreement constitute continuing connected transactions of the Company under Chapter 14A of the Hong Kong Listing Rules. As the highest applicable percentage ratio (other than the profit ratio) for the continuing connected transactions under the Fosun International Mutual Supply Framework Agreement is more than 0.1% but less than 5% on an annual basis, the Fosun International Mutual Supply Framework Agreement is subject to the reporting, announcement and annual review requirements but exempt from the independent shareholders' approval requirement under Chapter 14A of the Hong Kong Listing Rules.

A. CQ PHARMA MUTUAL SUPPLY AGREEMENT

The Board announces that, on 9 June 2021, the Company and CQ Pharma Holdings entered into the CQ Pharma Mutual Supply Agreement in relation to (i) the Group supplies its products to CQ Pharma Holdings Group including, among others, pharmaceutical products, raw materials and preparations from time to time during the term of the agreement; (ii) CQ Pharma Holdings Group supplies to the Group of products including, among others, pharmaceutical products, raw materials and preparations from time to time during the term of the agreement; (iii) The Group provides the CQ Pharma Holdings Group with products promotion services from time to time during the term of the agreement; and (iv) CQ Pharma Holdings Group provides the Group with warehousing, transportation and channel consulting services in respect of the products from time to time during the term of the agreement.

The principal terms of the CQ Pharma Mutual Supply Agreement are summarised as below:

| | | |
|-------------------------|---|---|
| Date | : | 9 June 2021 |
| Parties | : | (1) the Company; and (2) CQ Pharma Holdings |
| Supply of Sale Products | : | Under the CQ Pharma Mutual Supply Agreement, the Group shall supply the Sale Products to CQ Pharma Holdings Group from time to time during the term of the CQ Pharma Mutual Supply Agreement (the “ Sales Transaction(s) ”). |

Pricing basis and policy for the Sales Transaction(s) : Pursuant to the terms of the CQ Pharma Mutual Supply Agreement, the relevant member(s) of the Group and the relevant member(s) of CQ Pharma Holdings Group will from time to time during the term of the CQ Pharma Mutual Supply Agreement engage in discussions with a view to entering into the Sales Transaction(s) on terms mutually agreed between the parties. Once the terms have been agreed, the relevant member(s) of the Group and the relevant member(s) of CQ Pharma Holdings Group shall enter into a Sales Order to set out the detailed terms and conditions of the relevant Sales Transaction.

With respect to the Sales Products, the selling price shall be determined between the parties based on arm's-length negotiation on normal commercial terms with reference to market prices (i.e. (i) the market prices; or (ii) where (i) is not available, the prices to be agreed between the parties taking into account of certain factors, such as the sales channel, market price and market share of CQ Pharma Holdings Group for similar products, provided that such prices and other terms shall be subject to normal commercial terms comparable to other independent third party customers of the Group).

The terms of each Sales Transaction, as evidenced by the relevant Sales Order, must comply with the terms of the CQ Pharma Mutual Supply Agreement.

Purchase of Procurement Products : Under the CQ Pharma Mutual Supply Agreement, CQ Pharma Holdings Group shall supply the Procurement Products to the Group from time to time during the term of the CQ Pharma Mutual Supply Agreement (the “**Purchases Transaction(s)**”).

Once the terms have been agreed, the relevant member(s) of the Group and the relevant member(s) of CQ Pharma Holdings Group shall enter into a Purchases Order to set out the detailed terms and conditions of the relevant Purchases Transaction.

With respect to the Procurement Products, the selling price shall be determined between the parties based on arm's-length negotiation on normal commercial terms with reference to market prices (i.e. (i) the comparable market prices based on at least two quotation(s) obtained from independent third party suppliers; or (ii) where (i) is not available, the prices to be agreed between the parties, provided that such prices and other terms shall not be less favourable than the prices and terms offered by CQ Pharma Holdings Group to third party customers for similar transactions).

The terms of each Purchases Transaction, as evidenced by the relevant Purchases Order, must comply with the terms of the CQ Pharma Mutual Supply Agreement.

Services provided by the Group to CQ Pharma Holdings Group : Under the CQ Pharma Mutual Supply Agreement, the Group shall provide products promotion services to CQ Pharma Holdings Group (the “**Fosun Pharma Services**”).

Pricing basis and policy for the Fosun Pharma Services : Pursuant to the terms of the CQ Pharma Mutual Supply Agreement, the relevant member(s) of the Group and the relevant member(s) of CQ Pharma Holdings Group will from time to time during the term of the CQ Pharma Mutual Supply Agreement engage in discussions with a view to entering into the Fosun Pharma Services transactions on terms mutually agreed between the parties. Once the terms have been agreed, the relevant member(s) of the Group and the relevant member(s) of CQ Pharma Holdings Group shall enter into a separate service agreement to set out the detailed terms and conditions of the relevant Fosun Pharma Services transactions.

The price of Fosun Pharma Services shall be determined between the parties based on arm's-length negotiation on normal commercial terms with reference to (i) the type and quantity of the promoted products; (ii) content of the specific services, and (iii) price of same of similar services provided on the market.

The terms of each Fosun Pharma Services transaction, as evidenced by the relevant service agreement, must comply with the terms of the CQ Pharma Mutual Supply Agreement.

Services provided by CQ Pharma Holdings Group to the Group : Under the CQ Pharma Mutual Supply Agreement, CQ Pharma Holdings Group shall products warehousing, transportation and channel consulting services in respect of to the Group (the “**CQ Pharma Services**”).

Pricing basis and policy for the CQ Pharma Services : Pursuant to the terms of the CQ Pharma Mutual Supply Agreement, the relevant member(s) of the Group and the relevant member(s) of CQ Pharma Holdings Group will from time to time during the term of the CQ Pharma Mutual Supply Agreement engage in discussions with a view to entering into the CQ Pharma Services transactions on terms mutually agreed between the parties. Once the terms have been agreed, the relevant member(s) of the Group and the relevant member(s) of CQ Pharma Holdings Group shall enter into a separate service agreement to set out the detailed terms and conditions of the relevant CQ Pharma Services transactions.

The price of CQ Pharma Services shall be determined between the parties based on arm's-length negotiation on normal commercial terms with reference to (i) content of the specific services; (ii) price of same or similar services provided on the market; and (iii) the fee standards of same service provided by CQ Pharma Holdings Group to third parties.

The terms of each CQ Pharma Services transaction, as evidenced by the relevant service agreement, must comply with the terms of the CQ Pharma Mutual Supply Agreement.

- Term : 1 year from 1 January 2021 to 31 December 2021 (both days inclusive).
- Other : Subject to the requirement under the relevant laws and regulations of the PRC and the stock exchange rules, within a financial year (or relevant period) during the term of CQ Pharma Mutual Supply Agreement, the parties agreed that the performance of the transactions contemplated thereunder shall be subject to the annual cap for such transactions as determined or approved by their respective board of directors or shareholders at the general meeting.

Transaction Cap

The annual caps of the transactions contemplated under the CQ Pharma Mutual Supply Agreement are determined through arm's-length negotiations between the Company and CQ Pharma Holdings based on the relevant pricing basis and policy with reference to the current market prices, the indicative prices (if any) prescribed by government and prices of similar transactions of their respective third-party customers, and the estimated sales and purchase quantities, type and content of services during the term of the agreement.

For the financial year ending 31 December 2021, it is expected that the caps for relevant Sales Transactions, Purchases Transactions, the relevant transactions for Fosun Pharma Services and CQ Pharma Services of the Group to be conducted during the term of the CQ Pharma Mutual Supply Agreement are as follow:

**For the financial year
from 1 January 2021
to 31 December 2021**

| | |
|---|-------------------------|
| Sales Transaction Annual Cap | RMB600 million |
| Purchase Transaction Annual Cap | RMB35 million |
| Fosun Pharma Services Annual Cap | RMB0.3 million |
| CQ Pharma Services Annual Cap | RMB10 million |
| Total annual cap under the CQ Pharma Mutual Supply Agreement | RMB645.3 million |

Reasons for and Benefits of Entering into the CQ Pharma Mutual Supply Agreement

Entering into the CQ Pharma Mutual Supply Agreement is in line with the business model of the Group.

The Directors (including the independent non-executive Directors) consider that the terms of the CQ Pharma Mutual Supply Agreement are on normal commercial terms and are fair and reasonable and the entering into the CQ Pharma Mutual Supply Agreement are in the ordinary and usual course of business of the Group and in the interests of the Group and the Shareholders as a whole.

B. FRAMEWORK TENANCY AGREEMENTS

The Board announces that on 9 June 2021, the Company and Fosun International entered into the Framework Tenancy Agreements in relation to the lease of the relevant Fosun Pharma Premises and Fosun International Premises in accordance with the terms thereof.

Details of each of the Framework Tenancy Agreements are set out below:

Lessee Framework Agreement

| | | |
|------------------------------|---|---|
| Date | : | 9 June 2021 |
| Parties | : | (1) Fosun International; and (2) the Company |
| Fosun International Premises | : | the properties owned by Fosun International Group and/or its associates as set out in each of the relevant Tenancy and Property Service Agreements. |

- Term : 1 year from 1 January 2021 to 31 December 2021 (both days inclusive).
- Determination of the rent and property service fees : The parties agreed that the rental payable and property management fees (including other expenses in relation to the lease of properties) in respect of Fosun International Premises shall be determined in accordance with the following principles, to ensure that the relevant pricing terms are fair and reasonable:
- (a) based on the respective interests of the lessor and lessee;
 - (b) with reference to the then prevailing market conditions and at a rate of the rental, market rent ratio and property management fees for other similar or comparable premises and/or commercial properties that charge to independent third parties; and
 - (c) where the similar or comparable premises referred above are not available, with reference to the rental, market rent ratio and property management fees of commercial premises and/or commercial properties that are of the same grade as and that are in the same district.
- Other : Subject to the requirement under the relevant laws and regulations of the PRC and the stock exchange rules, within a financial year (or relevant period) during the term of Lessee Framework Agreement, the parties agreed that the performance of the transactions contemplated thereunder shall be subject to the annual cap for such transactions as determined or approved by their respective board of directors or shareholders at the general meeting.

Fosun International Group and/or its associates and the Company and/or its subsidiaries have entered/or will enter into various Tenancy and Property Service Agreements for the lease of the relevant Fosun International Premises. The terms and conditions thereof shall be in line with that of the Lessee Framework Agreement.

Lessor Framework Agreement

- Date : 9 June 2021
- Parties : (1) the Company; and
(2) Fosun International
- Fosun Pharma Premises : the properties owned by the Company and/or its subsidiaries as set out in each of the relevant Tenancy and Property Service Agreements.
- Term : 1 year from 1 January 2021 to 31 December 2021 (both days inclusive).
- Determination of the rent and property service fees : The parties agreed that the rental payable and property service fees (including other expenses in relation to the lease of properties) in respect of Fosun Pharma Premises shall be determined in accordance with the following principles, to ensure that the relevant pricing terms are fair and reasonable:
- (a) based on the respective interests of the lessor and lessee;
 - (b) with reference to the then prevailing market conditions and at a rate of the rental and property service fees for other similar or comparable premises and/or commercial properties that charge to independent third parties; and
 - (c) where the similar or comparable premises referred above are not available, with reference to the rental and property service fees of commercial premises and/or commercial properties that are of the same grade as and that are in the same district.
- Other : Subject to the requirement under the relevant laws and regulations of the PRC and the stock exchange rules, within a financial year (or relevant period) during the term of Lessor Framework Agreement, the parties agreed that the performance of the transactions contemplated thereunder shall be subject to the annual cap for such transactions as determined or approved by their respective board of directors or shareholders at the general meeting.

The Company and/or its subsidiaries and Fosun International Group and/or its associates have entered/or will enter into various Tenancy and Property Service Agreements for the lease of the relevant Fosun Pharma Premises. The terms and conditions thereof shall be in line with that of the Lessor Framework Agreement.

Basis of Annual Cap under the Framework Tenancy Agreements

Framework Tenancy Agreements comprise of Lessee Framework Agreement and Lessor Framework Agreement.

For the financial year ending 31 December 2021, the annual cap under the Lessee Framework Agreement is RMB50 million, which is determined with reference to: (i) the estimated aggregated annual rental, market rent ratio and property management fees payable under the relevant Tenancy and Property Service Agreements which are estimated to be entered into by Fosun International Group and/or its associates and the Company and/or its subsidiaries in accordance with the terms of the Lessee Framework Agreement; and (ii) allowing a reasonable buffer to cater for possible increases in the number of the lease transactions and in the amount of rental, market rent ratio and property management fees payable.

For the financial year ending 31 December 2021, the annual cap under the Lessor Framework Agreement is RMB30 million, which is determined with reference to: (i) the estimated aggregated annual rental and property service fees payable under the relevant Tenancy and Property Service Agreements which are estimated to be entered into by Fosun International Group and/or its associates and the Company and/or its subsidiaries in accordance with the terms of the Lessor Framework Agreement; and (ii) allowing a reasonable buffer to cater for possible increases in the number of the lease transactions and in the amount of rental and property service fees payable.

Aggregate Annual Cap under the Framework Tenancy Agreements

For the financial year ending 31 December 2021, the aggregate annual cap, being the maximum aggregate annual value as defined under the Hong Kong Listing Rules, for the respective rentals and property management service fees to be charged by the Group pursuant to the Lessor Framework Agreement, and by Fosun International Group and/or its associates pursuant to the Lessee Framework Agreement, will be approximately RMB80 million.

Reasons for and Benefits of Entering into the Framework Tenancy Agreements

The size and location of the Fosun International Premises are appropriate and feasible for conducting the Group's business operations, and the size and location of the Fosun Pharma Premises meet the business needs of Fosun International Group and its associates and will provide stable income to the Group.

The Directors (including the independent non-executive Directors) consider that the terms of each of the Framework Tenancy Agreements are on normal commercial terms and are fair and reasonable and the entering into the Framework Tenancy Agreements are in the ordinary and usual course of business of the Group and in the interests of the Group and the Shareholders as a whole.

As Mr. Wu Yifang, Mr. Chen Qiyu, Mr. Yao Fang, Mr. Xu Xiaoliang, Mr. Gong Ping, Mr. Pan Donghui and Mr. Zhang Houlin hold positions in Fosun International Group and/or its associates or otherwise related therewith, they have abstained from voting on the resolutions of the Board to approve the annual caps under the Framework Tenancy Agreements and the transactions contemplated thereunder. Save as disclosed above, other Directors did not have any material interest in the Framework Tenancy Agreements.

C. FOSUN INTERNATIONAL MUTUAL SUPPLY FRAMEWORK AGREEMENT

The Board announces that on 9 June 2021, the Company and Fosun International entered into the Fosun International Mutual Supply Framework Agreement in relation to the mutual supply of products and services between the Group and Fosun International Group and/or its associates, for a term of 1 year commencing from 1 January 2021 to 31 December 2021.

- Term : 1 year from 1 January 2021 to 31 December 2021 (both days inclusive).

- Pricing basis and policy of products and services to be provided by the Group :
- (a) With respect to the medical products including medicine, diagnostics and medical devices to be provided by the Group to Fosun International Group and/or its associates, the prices payable by Fosun International Group and/or its associates shall be determined between the parties based on arm's-length negotiation on normal commercial terms with reference to (i) nature, specification and volume of the products; (ii) prices approved by the local pricing authorities, if and where applicable; and (iii) market price of the products (or similar products on the market), and in addition, the prices and terms for the products shall be subject to normal commercial terms comparable to other independent third party customers of the Group;

 - (b) With respect to the medical services, medical examination services and other related services, diagnosis testing services and pharmaceutical industry consulting services to be provided by the Group to Fosun International Group and/or its associates, the service fees shall be determined between the parties based on arm's-length negotiation on normal commercial terms with reference to (i) nature of the medical services and relevant pharmaceutical industry consulting services; (ii) rules and regulations on pricing by market adjustment promulgated by the relevant competent authority in relation to non-governmental medical institutions in the PRC and the applicable medical code set and pricing system commonly used in the industry, if and where applicable; (iii) relevant charging standards of same or similar industry consulting services provided by third parties; and (iv) the market supply and demand situation, and the brand positioning, and in addition, the service fees and terms shall be subject to normal commercial terms comparable to other independent third party customers of the Group; and

(c) With respect to the consultation, import and export agency and related services in relation to the supplied materials for epidemic prevention to be provided by the Group to Fosun International Group and/or its associates, the service fees shall be determined between the parties based on arm's-length negotiation on normal commercial terms with reference to (i) the nature of materials for prevention that require import and export agency service; and (ii) price of similar services provided by third parties on the market and the service fees and terms shall be subject to normal commercial terms comparable to other independent third party customers of the Group.

Pricing basis and policy of products and services to be provided and supplied by Fosun International Group and/or its associates

: (a) With respect to the custom-made products, the prices payable by the Group shall be determined between the parties based on arm's-length negotiation on normal commercial terms with reference to (i) nature, volume and custom-made requirements of the relevant products required by the Group, and (ii) the prices and terms shall be not less favourable than those offered by Fosun International Group and/or its associates to its customers for similar transactions. The procurement and financial departments of the Group will review and consider the terms with reference to certain factors, including, among others, the procurement volume, detailed custom-made requirements and payment terms before entering into the relevant transactions under the Mutual Supply Agreement;

- (b) With respect to other products, the prices payable by the Group shall be determined between the parties based on arm's-length negotiation on normal commercial terms with reference to (i) nature and volume of the relevant products, and (ii) quotes from at least two independent third party suppliers, the market prices for similar types of products, and provided that the prices and terms are not less favourable than those offered by Fosun International Group and/or its associates to independent third party customers thereof. The procurement and financial departments of the Group will review and consider the terms with reference to nature and volume of the relevant products and the quotes from independent third party suppliers before entering into the relevant transactions under the Mutual Supply Agreement;
- (c) With respect to non-medical materials for epidemic prevention and other related products in relation to COVID-19 epidemic prevention, the prices payable by the Group shall be determined between the parties based on arm's-length negotiation on normal commercial terms with reference to (i) nature, specification, volume and sales area of the relevant products; and (ii) quotes from at least two independent third party suppliers, the market prices for similar types of products, and provided that the prices and terms are not less favourable than those offered by Fosun International Group and/or its associates to independent third party customers thereof. The procurement and financial departments of the Group will review and consider the terms with reference to certain factors of the relevant products, including market price and relevant policies of similar products, and negotiate the terms and conditions to ensure the terms are fair and reasonable;

(d) With respect to medical materials provided by relevant Fosun International Group's associates which are subsidiaries of the Company, the prices payable by the Group shall be determined between the parties based on arm's-length negotiation on normal commercial terms with reference to (i) nature, specification, volume and sales area of the relevant products, and the related business operation demand of the Group; (ii) prices of such products in previous transactions entered into between relevant members of the Group and the relevant Fosun International Group's associates; (iii) market conditions of such products; and (iv) internal pricing guidelines of the Group for such products. The procurement departments of the Group will review the procurement price and the terms with reference to certain factors of the relevant products, and negotiate the terms and conditions with the Fosun International Group's associates to ensure the terms are fair and reasonable;

(e) With respect to IT services, conferencing services, insurance and insurance brokerage services, training services and business travel services, the prices payable by the Group shall be determined between the parties based on reasonable costs to be incurred through arm's-length negotiation on normal commercial terms with reference to (i) the nature of IT services to be provided, which is designed for internal use only, (ii) the location of conference venue, (iii) content of related training course and number of participants, (iv) current operation scale of relevant businesses of the Group and estimated demand of the insurance services, and refer to the current insurance market conditions and the brokerage commission rate determined based on factors such as the actuarial product pricing model, the price of the same type of product in the relevant business and the brokerage commission rate of Fosun International Group and/or its associates, (v) types of the business travel services and market price and/or commission rate provided by service suppliers that provided same type of services, and (vi) provided that the prices and terms are not less favourable than those offered by Fosun International Group and/or its associates to independent third party customers for similar transactions, and the relevant internal departments of the Group will obtain the service fees of similar services from at least two independent third party service suppliers that provided similar services for comparison. The procurement, financial and business departments of the Group will review and consider the terms with reference to certain factors, including, among others, nature and specific purpose of various services required, the specific requirements of members of the Group and payment terms before entering the relevant transactions under the Mutual Supply Agreement, and negotiate the terms and conditions to ensure the terms are fair and reasonable;

- (f) With respect to business development services, the prices payable by the Group shall be determined between the parties based on arm's-length negotiation on normal commercial terms with reference to (i) nature, specification, volume and sales area of the relevant products related to the services; (ii) comparable market prices from at least two independent third party service suppliers that provided similar services; and (iii) the price and terms shall be subject to normal commercial terms comparable to other independent third party customers of Fosun Pharma Group and/or its associates that provide similar services. The procurement, financial and business departments of the Group will review and consider the terms with reference to certain factors of the relevant services, including market price and relevant policies of similar services industry, and negotiate the terms and conditions to ensure the terms are fair and reasonable;

- (g) With respect to medical services provided by relevant Fosun International Group's associates which are subsidiaries of the Company, the prices payable by the Group shall be determined between the parties based on arm's-length negotiation on normal commercial terms with reference to (i) content and nature of the services; (ii) prices of such services in previous transactions entered into between relevant members of the Group and the relevant Fosun International Group's associates; (iii) government/authorities' guidance price of such services, if and where applicable; and (iv) internal pricing guidelines of the Group for such services. The procurement departments of the Group will review the procurement price and the terms with reference to certain factors of the relevant services, and negotiate the terms and conditions with the Fosun International Group's associates to ensure the terms are fair and reasonable; and

- (h) With respect to logistics and freight operation proxy services, the prices payable by the Group shall be determined between the parties based on arm's-length negotiation on normal commercial terms with reference to (i) content and nature of the services, including the weight, type and modes of transportation of goods; (ii) areas covered by the services; (iii) comparable market prices from at least two independent third party service suppliers that provided similar services; and (iv) the price and terms shall be subject to normal commercial terms comparable to other independent third party customers of Fosun Pharma Group and/or its associates that provide similar services. The procurement, financial and business departments of the Group will review and consider the terms with reference to certain factors of the relevant services, including market price and relevant policies of similar services industry, and negotiate the terms and conditions to ensure the terms are fair and reasonable.

Other : Subject to the requirement under the relevant laws and regulations of the PRC and the stock exchange rules, within a financial year (or relevant period) during the term of Fosun International Mutual Supply Framework Agreement, the parties agreed that the performance of the transactions contemplated thereunder shall be subject to the annual cap for such transactions as determined or approved by their respective board of directors or shareholders at the general meeting.

Transaction Cap

The annual caps under the Fosun International Mutual Supply Framework Agreement are determined through arm's-length negotiations between the Company and Fosun International, with reference to the government guidance price and prevailing market price of relevant products and services, and the expected products to be supplied and relevant services required according to the business conditions of parties during the term of the Fosun International Mutual Supply Framework Agreement.

For the financial year ending 31 December 2021, it is expected that the caps for mutual supply of products and services to be conducted by the Group during the term of the Fosun International Mutual Supply Framework Agreement are as follow:

**For the financial year
from 1 January 2021
to 31 December 2021**

| | |
|--|-----------------------|
| Annual cap for products provided by the Group to Fosun International Group and/or its associates | RMB200 million |
| Annual cap for products provided by Fosun International Group and/or its associates to the Group | RMB250 million |
| Annual cap for services provided by the Group to Fosun International Group and/or its associates | RMB50 million |
| Annual cap for services provided by Fosun International Group and/or its associates to the Group | RMB120 million |
| Total annual cap under the Fosun International Mutual Supply Framework Agreement | RMB620 million |

Reasons for and Benefits of Entering into the Fosun International Mutual Supply Framework Agreement

Entering into the Fosun International Mutual Supply Framework Agreement is for the normal operation of the Group. The Directors (including the independent non-executive Directors) consider that the terms of the Fosun International Mutual Supply Framework Agreement are on normal commercial terms and are fair and reasonable and the entering into the Fosun International Mutual Supply Framework Agreement are in the ordinary and usual course of business of the Group and in the interests of the Group and the Shareholders as a whole.

As Mr. Wu Yifang, Mr. Chen Qiyu, Mr. Yao Fang, Mr. Xu Xiaoliang, Mr. Gong Ping, Mr. Pan Donghui and Mr. Zhang Houlin hold positions in Fosun International Group and/or its associates or otherwise related therewith, they have abstained from voting on the resolutions of the Board to approve the annual caps under the Fosun International Mutual Supply Framework Agreement and the transactions contemplated thereunder. Save as disclosed above, other Directors did not have any material interest in the Fosun International Mutual Supply Framework Agreement.

HONG KONG LISTING RULES IMPLICATIONS

CQ Pharma Mutual Supply Agreement

CQ Pharma Holdings is a substantial shareholder of Yao Pharma, an indirect non-wholly owned subsidiary of the Company, therefore, CQ Pharma Holdings is a connected person of the Company at the subsidiary level under Rule 14A.07(1) of the Hong Kong Listing Rules. As a result, the transactions contemplated under the CQ Pharma Mutual Supply Agreement constitute continuing connected transactions of the Company under Chapter 14A of the Hong Kong Listing Rules. As the highest applicable percentage ratio (other than the profit ratio) calculated in accordance with the Hong Kong Listing Rules for the continuing connected transactions under the CQ Pharma Mutual Supply Agreement on an annual basis is more than 1% but less than 5%, and the transactions contemplated under the CQ Pharma Mutual Supply Agreement are conducted on normal commercial terms, such transactions will be subject to the reporting, announcement and annual review requirements but exempted from the independent shareholders' approval requirement under Chapter 14A of the Hong Kong Listing Rules.

Framework Tenancy Agreements

Fosun International is the controlling shareholder of the Company and therefore a connected person of the Company under Rule 14A.07 of the Hong Kong Listing Rules. Therefore, the transactions contemplated under the Framework Tenancy Agreements constitute continuing connected transactions of the Company under Chapter 14A of the Hong Kong Listing Rules. As the highest applicable percentage ratio (other than the profit ratio) for the continuing connected transactions under the Framework Tenancy Agreements is more than 0.1% but less than 5% on an annual basis, the Framework Tenancy Agreements are subject to the reporting, announcement and annual review requirements but exempt from the independent shareholders' approval requirement under Chapter 14A of the Hong Kong Listing Rules.

Fosun International Mutual Supply Framework Agreement

Fosun International is the controlling shareholder of the Company and therefore a connected person of the Company under Rule 14A.07 of the Hong Kong Listing Rules. Therefore, the transactions contemplated under the Fosun International Mutual Supply Framework Agreement constitute continuing connected transactions of the Company under Chapter 14A of the Hong Kong Listing Rules. As the highest applicable percentage ratio (other than the profit ratio) for the continuing connected transactions under the Fosun International Mutual Supply Framework Agreement is more than 0.1% but less than 5% on an annual basis, the Fosun International Mutual Supply Framework Agreement is subject to the reporting, announcement and annual review requirements but exempt from the independent shareholders' approval requirement under Chapter 14A of the Hong Kong Listing Rules.

As at the date of this announcement, the actual transaction amount for the relevant transactions under each of the CQ Pharma Mutual Supply Agreement, Framework Tenancy Agreements and Fosun International Mutual Supply Framework Agreement have not exceeded the relevant threshold under Rule 14A.76 of the Hong Kong Listing Rules.
