

The Final EIS includes new proposed mitigation measures that would:

- Reduce adverse impacts to environmental justice populations under Alternative 4.
- Reduce adverse impacts to special status aquatic plants under Alternative 2.
- Reduce adverse impacts to western pond turtles under Alternatives 3 and 4.

Changes include updated cost estimates for each alternative; changes to the *Comparison of the Alternatives* section and tables; and issues related to environmental justice, special status plants, and western pond turtles.

Other new information includes findings of recent surveys for archeological sites and artifacts, rare plants, and invasive plants within the project area, and a new, more accurate calculation of wetlands acres. Several EIS sections have been updated to reflect this new data.

#### Notice of Application for Extension of Withdrawal and Public Meeting; Notice of Legal Description and Map Availability, California

**AGENCY:** Bureau of Land Management, Interior.

**ACTION:** Notice of proposed extension.

**SUMMARY:** The U.S. Department of the Army (Army) filed an application with the Bureau of Land Management (BLM) for extension of the withdrawal created by the National Defense Authorization Act for Fiscal Year 2002 (2002 Act) for an additional 25-year term. The withdrawal created by the 2002 Act,

enacted on December 28, 2001, expires on December 27, 2026, unless extended by Congress. The 2002 Act withdrew public land from all forms of appropriation under the general land laws, including the mining laws and mineral and geothermal leasing laws, to conduct combined arms military training and develop and test military equipment at Fort Irwin National Training Center in San Bernardino County, California, and for other defense-related purposes. This notice also provides official publication of the legal land description and location of the map for the National Training Center withdrawal created by the 2002 Act. This notice initiates a 90-day comment period on the Army's application and announces that the BLM and the Army will hold a public meeting on the application. While the BLM will process the application, only Congress can extend the withdrawal.

**DATES:** The BLM must receive all comments by October 24, 2024. The BLM and the Army will hold an in-person and virtual public meeting in connection with the proposed withdrawal extension on September 9, 2024, at 6:30 p.m. to 8:30 p.m. Pacific Time. The BLM will publish a notice of the time and online venue in the Press-Enterprise and the San Bernardino Sun local newspapers and the BLM California website at <https://www.blm.gov/california> for a minimum of 30 days before the scheduled date of the meeting and instructions for the public to access the meeting.

**ADDRESSES:** Comments should be sent to the Sarah Naranjo, Realty Specialist, BLM California State Office, Attn: Fort Irwin Withdrawal, 2800 Cottage Way, W-1623 Sacramento, CA 95825–1886 or by email at [BLM\\_CA\\_SO\\_FortIrwinComments@blm.gov](mailto:BLM_CA_SO_FortIrwinComments@blm.gov). For instructions on submitting public comments visit: <https://www.blm.gov/california>.

**SUPPLEMENTARY INFORMATION:** In the 2002 Act (Pub. L. 107–107 (115 Stat. 1012)), Congress withdrew

approximately 117,710 acres of public lands in San Bernardino County, California, from all forms of appropriation under the general land laws, including the mining laws and mineral and geothermal leasing laws, subject to valid existing rights, and reserved the land for the Army's use at the Fort Irwin National Training Center and transferred administrative jurisdiction over the lands to the Army. This withdrawal will expire on December 27, 2026, unless extended by Congress. The Army submitted an application for extension of this withdrawal for an additional 25 years.

The legal description for public lands withdrawn for use by the Army at the Fort Irwin National Training Center is as follows:

## INTERNATIONAL TRADE COMMISSION

[Investigation Nos. 701–TA–728 and 731–TA–1697 (Preliminary)]

### Vanillin From China

#### Determinations

On the basis of the record<sup>1</sup> developed in the subject investigations, the United States International Trade Commission (“Commission”) determines, pursuant to the Tariff Act of 1930 (“the Act”), that there is a reasonable indication that an industry in the United States is materially injured by reason of imports of vanillin from China, provided for in subheadings 2912.41.00 and 2912.42.00 of the Harmonized Tariff Schedule of the United States, that are alleged to be sold in the United States at less than fair value (“LTFV”) and imports of the subject merchandise from China that are alleged to be subsidized by the government of China.<sup>2</sup>

#### Commencement of Final Phase Investigations

Pursuant to section 207.18 of the Commission’s rules, the Commission also gives notice of the commencement of the final phase of its investigations. The Commission will issue a final phase notice of scheduling, which will be published in the **Federal Register** as provided in § 207.21 of the Commission’s rules, upon notice from the U.S. Department of Commerce (“Commerce”) of affirmative preliminary determinations in the investigations under §§ 703(b) or 733(b) of the Act, or, if the preliminary determinations are negative, upon notice of affirmative final determinations in those investigations under §§ 705(a) or 735(a) of the Act. Parties that filed entries of appearance in the preliminary phase of the investigations need not enter a separate appearance for the final phase of the investigations. Any other party may file an entry of appearance for the final phase of the investigations after publication of the final phase notice of scheduling. Industrial users, and, if the

merchandise under investigation is sold at the retail level, representative consumer organizations have the right to appear as parties in Commission antidumping and countervailing duty investigations. The Secretary will prepare a public service list containing the names and addresses of all persons, or their representatives, who are parties to the investigations. As provided in section 207.20 of the Commission’s rules, the Director of the Office of Investigations will circulate draft questionnaires for the final phase of the investigations to parties to the investigations, placing copies on the Commission’s Electronic Document Information System (EDIS, <https://edis.usitc.gov>), for comment.

#### Background

On June 5, 2024, Solvay USA LLC, Baton Rouge, Louisiana, filed petitions with the Commission and Commerce, alleging that an industry in the United States is materially injured or threatened with material injury by reason of subsidized imports of vanillin from China and LTFV imports of vanillin from China. Accordingly, effective June 5, 2024, the Commission instituted countervailing duty investigation No. 701–TA–728 and antidumping duty investigation No. 731–TA–1697 (Preliminary).
