India – Anti-Submarine Warfare Sonobuoys

WASHINGTON, August 23, 2024 - The Secretary of State has approved a possible Foreign Military Sale to the Government of India of Anti-Submarine Warfare Sonobuoys and related equipment for an estimated cost of \$52.8 million. The Defense Security Cooperation Agency delivered the required certification notifying Congress of this possible sale today.

The Government of India has requested to buy AN/SSQ-53G High Altitude Anti-Submarine Warfare (HAASW) sonobuoys; AN/SSQ-62F HAASW sonobuoys; AN/SSQ-36 sonobuoys; technical and publications and data documentation; U.S. Government and contractor engineering and technical support; and other related elements of logistics and program services and support. The estimated total cost is \$52.8 million.

This proposed sale will support the foreign policy and national security objectives of the United States by helping to strengthen the United States-India strategic relationship and improving the security of a major defense partner which continues to be an important force for political stability, peace, and economic progress in the Indo-Pacific and South Asia regions.

The proposed sale will improve India's capability to meet current and future threats by enhancing its capacity to conduct anti-submarine warfare operations from its MH-60R helicopters. India will have no difficulty absorbing this equipment into its armed forces.

The proposed sale of this equipment and support will not alter the basic military balance in the region.

The principal contractor(s) will be Sparton Corporation, located in De Leon Springs, FL, or Undersea Sensor Systems Inc. (USSI), located in Columbia City, IN, or a combination of both. There are no known offset agreements proposed in connection with this potential sale.

Implementation of this proposed sale will not require the assignment of any additional U.S. Government or contractor representatives to India.

There will be no adverse impact on U.S. defense readiness as a result of this proposed sale.

The description and dollar value are for the highest estimated quantity and dollar value based on initial requirements. Actual dollar value will be lower depending on final requirements, budget authority, and signed sales agreement(s), if and when concluded.

All questions regarding this proposed Foreign Military Sale should be directed to the State Department's Bureau of Political Military-Affairs, Office of Congressional and Public Affairs, pm-cpa@state.gov.
