## **Denmark – Precision Guidance Kits**

WASHINGTON, August 15, 2024 - The State Department has made a determination approving a possible Foreign Military Sale to the Government of Denmark of Precision Guidance Kits and related elements of logistics and program support for an estimated cost of \$85 million. The Defense Security Cooperation Agency delivered the required certification notifying Congress of this possible sale today.

The Government of Denmark has requested to buy up to five thousand eight hundred thirty-two (5,832) M1156 Precision Guidance Kits (PGK). Also included are ancillary items; compatibility testing; firing tables; technical assistance; technical data; new equipment training; and other related elements of logistics and program support. The estimated total cost is \$85 million.

This proposed sale will support the foreign policy goals and national security objectives of the United States by improving the security of a NATO Ally that is a force for political stability and economic progress in Europe.

The proposed sale will improve Denmark's capability to meet current and future threats by providing precision capability equipment and will increase first strike accuracy in its brigades. Denmark will have no difficulty absorbing these articles and services into its armed forces.

The proposed sale of this equipment and support will not alter the basic military balance in the region.

The principal contractor will be Northrop Grumman, located in Minneapolis, MN. The purchaser typically requests offsets. Any offset agreement will be defined in negotiations between the purchaser and the contractor.

Implementation of this proposed sale will not require the assignment of any additional U.S. Government or contractor representatives to Denmark.

There will be no adverse impact on U.S. defense readiness as a result of this proposed sale.

The description and dollar value are for the highest estimated quantity and dollar value based on initial requirements. Actual dollar value will be lower depending on final requirements, budget authority, and signed sales agreement(s), if and when concluded.

All questions regarding this proposed Foreign Military Sale should be directed to the State Department's Bureau of Political Military-Affairs, Office of Congressional and Public Affairs, [pm-cpa@state.gov](mailto:pm-cpa@state.gov).
