MEMORANDUM FOR UNDER SECRETARY OF DEFENSE (COMPTROLLER)/CHIEF  
FINANCIAL OFFICER, DOD  
DIRECTOR, DEFENSE LOGISTICS AGENCY

SUBJECT: Oversight of the FY 2025 Defense Logistics Agency System and Organization  
Controls 1 Examination of the Procurement Integrated Enterprise Environment  
(Project No. D2025-D000FE-0018.000)

The purpose of this memorandum is to inform you of our planned oversight that will begin immediately. The Director of the Defense Logistics Agency (DLA) requested a System and Organization Controls 1 examination of the Procurement Integrated Enterprise Environment (PIEE) for the period of October 1, 2024 through June 30, 2025. We contracted with the independent public accounting firm of Ernst & Young, LLP (EY) to perform this examination. The objective of EY's attestation examination is to issue an opinion on the DLA's description of PIEE and the suitability of the design and operating effectiveness of the controls to achieve the related control objectives stated in the description. The objective of our project is to provide contract oversight of EY's attestation examination and determine whether EY complied with the contract and applicable attestation and generally accepted government auditing standards.

We will rely on the Government Accountability Office/Council of the Inspectors General on Integrity and Efficiency, "Financial Audit Manual," Volume 2, June 2024, Section 670, "IG Oversight of Audits Performed by Contracted Independent Public Accounting (IPA) Firms," to design and perform oversight procedures to review EY's work, and if applicable, disclose instances in which EY did not comply, in all material respects, with attestation standards established by the American Institute of Certified Public Accountants and generally accepted government auditing standards. Our review will not enable us to express an opinion on the description of PIEE or the suitability of the design and operating effectiveness of the controls to achieve the related control objectives stated in the description. We will provide oversight and review EY's work, but EY will be responsible for expressing those opinions.

We request that you designate two points of contact for this oversight project within **5 days** of this memorandum. One point of contact should be a Government employee—a GS-15, pay band equivalent, or military equivalent—who is knowledgeable of the attestation examination related to the objective. The second point of contact should be a member of the Senior Executive Service or a General/Flag Officer who is familiar with the attestation examination related to the objective and could serve as a point of engagement with DoD Office of Inspector General senior leaders, if necessary. Send each contact's name, title, grade/pay band, phone number, and email address to [REDACTED]
