YCR Corporation — Modified Rail Certificate —
in Yakima County, Wash.***Notice of Intent to Terminate Service***

Dear Ms. Brown:

YCR Corporation (“YCR”) is filing this Notice of Intent to Terminate Service (“Notice”) under 49 C.F.R. § 1150.24 for the above-referenced modified certificate of public convenience and necessity (“modified certificate”). YCR’s modified certificate authority applies to a rail line between milepost 0.0 at Toppenish (Wesley Junction) and milepost 20.56 at White Swan (including a 1.63 mile industrial spur at White Swan) all within Yakima County, Washington (the “Line”).¹ YCR’s leasehold in the Line has been terminated.² For that reason, YCR hereby invokes the Board’s procedures to end its modified certificate authorization with respect to the Line, and thereby to cease to possess a common carrier status (since the Line constituted the entirety of YCR’s rail operations).

² *Paul Didelius — Continuance in Control Exemption — Rainier Rail LLC*, FD 36659 (STB served May 1, 2023), 2 at n. 3.

Because the Board authorized YCR's operation of the Line under a modified certificate, the present Notice will take effect 60 days from the completion of: (1) filing with the Board and the State of Washington, and (2) service to all persons that have used the Line,³ each of which is being accomplished as of the date of this e-filing. Per the attached certificate of filing and service of this notice of intent has been affected.

Respectfully submitted,

/s/ *R. A. Wimbish*
