Re: *Urgent Issues in Freight Rail Service – Railroad Reporting*, STB Docket Ex Parte No. 770
(Sub-No. 1)

Dear Chairman Primus, Vice Chairman Hedlund, Members Fuchs and Schultz:

I am writing today regarding the above referenced docket. During a recent review of the employment data submitted to the Surface Transportation Board in this Docket, Norfolk Southern Railway Company (Norfolk Southern) identified a data discrepancy arising from a recent software upgrade. This impacted the number of furloughs for the June 2024 report. Accordingly, today Norfolk Southern is resubmitting a corrected report, which is attached hereto.
