Carvana can save customers valuable time, allowing them to skip the dealership and shop from the comfort of home or on the go via their mobile device. As the pioneer of online car buying, Carvana's patented 360-degree virtual vehicle tour gives customers high-definition, 360-degree photography of every vehicle, inside and out. Carvana vehicles are Carvana Certified, meaning they have passed a rigorous 150-point inspection, have never been in a reported accident and have no frame damage. Features, imperfections and updated information about open safety recalls are listed on every car's vehicle description page.

Customers looking to trade in their vehicle, or sell a vehicle, can also skip the dealership by simply entering their VIN or license plate number on Carvana.com, answering a few questions, and prompting Carvana to pick up the vehicle and bring them a check, as soon as the next day.

Carvana vehicles come with a seven-day return policy, giving customers the time to ensure the vehicle fits their life; an upgrade to the traditional test-drive. Monroe area residents can see how their new ride handles running errands around town, or if there is enough cargo space for their fishing gear.

"As we continue expanding in the southeast, we are pleased to bring The New Way to Buy a Car® to Monroe area residents," said Ernie Garcia, Carvana founder and CEO.

"We're confident the community will embrace the convenience and ease of our transparent car buying experience."

Carvana now offers as-soon-as next-day vehicle delivery to customers in 290 cities across the U.S.
