## CHARACTERISTICS OF GEM

---

GEM has been positioned as a market designed to accommodate small and mid-sized companies to which a higher investment risk may be attached than other companies listed on the Stock Exchange. Prospective investors should be aware of the potential risks of investing in such companies and should make the decision to invest only after due and careful consideration.

Given that the companies listed on GEM are generally small and mid-sized companies, there is a risk that securities traded on GEM may be more susceptible to high market volatility than securities traded on the Main Board and no assurance is given that there will be a liquid market in the securities traded on GEM.

### 2. GENERAL MANDATES TO REPURCHASE AND ISSUE SHARES

At the annual general meeting of the Company held on 23 June 2020, the Directors were granted (a) a general unconditional mandate to exercise all the powers of the Company to purchase Shares not exceeding 10% of the number of issued Shares as at the date of the passing of the relevant resolution; (b) a general unconditional mandate to allot, issue and deal with Shares not exceeding 20% of number of issued Shares as at the date of the passing of the relevant resolution; and (c) an extension of the general mandate mentioned in (b) above by adding an amount not exceeding 10% of the number of issued Shares as at the date of the passing of the relevant resolution to the number of issued Shares that could be repurchased by the Company pursuant to the general mandate referred to in (a) above.

The general mandates previously granted to the Directors to repurchase and issue Shares by the Shareholders at the annual general meeting of the Company held on 23 June 2020 will expire at the conclusion of the AGM. In order to give the Company the flexibility to repurchase and issue Shares if and when appropriate, the following ordinary resolutions will be proposed at the AGM to approve the grant of new general mandates to the Directors:

- (a) the Repurchase Mandate to purchase Shares on the Stock Exchange not exceeding 10% of the number of issued Shares as at the date of passing such resolution;
- (b) the General Mandate to allot, issue or deal with Shares of up to 20% of the number of issued Shares as at the date of passing such resolution; and
- (c) the extension of the General Mandate by an amount representing the number of Shares repurchased by the Company pursuant to and in accordance with the Repurchase Mandate.

As at the Latest Practicable Date, the number of Shares in issue was 1,731,432,500 Shares. Assuming that there will be no change in the number of Shares in issue between the Latest Practicable Date and the date of the AGM, subject to the passing of the relevant resolutions, the maximum number of Shares to be issued under the proposed General Mandate is 346,286,500, and the Company will be allowed under the Repurchase Mandate to repurchase a maximum of 173,143,250 Shares.

The Repurchase Mandate and the General Mandate will continue in force until the conclusion of the next annual general meeting of the Company held after the AGM or any earlier date as referred to in the proposed ordinary resolutions numbered 4 and 5 in the notice of the AGM as set out on pages AGM-1 to AGM-6 of this circular.

In accordance with the requirements of the GEM Listing Rules, the Company is required to send to the Shareholders an explanatory statement containing all the information reasonably necessary to enable them to make an informed decision on whether to vote for or against the grant of the Repurchase Mandate. The explanatory statement for such purpose is set out in Appendix I to this circular.

As such, all resolutions set out in the notice of AGM will be voted on by way of poll.

A form of proxy for use at the AGM is sent to you with this circular. Whether or not you are able to attend the AGM, you are requested to complete the accompanying form of proxy in accordance with the instructions printed thereon and return it to the branch share registrar and transfer office of the Company in Hong Kong, Tricor Investor Services Limited at Level 54, Hopewell Centre, 183 Queen's Road East, Hong Kong by 11:00 a.m. on Monday, 21 June 2021 or not less than 48 hours before the time appointed for holding any adjourned meeting. The Directors, having made all reasonable enquiries, confirm that to the best of their knowledge and belief the information contained in this circular is accurate and complete in all material respects and not misleading or deceptive, and there are no other matters the omission of which would make any statement herein or this circular misleading.

### **6. RECOMMENDATION**

The Directors consider that the grant of the Repurchase Mandate, the General Mandate and the Extension Mandate, and the re-election of the retiring Directors are in the best interests of the Company and the Shareholders.

Accordingly, the Directors recommend the Shareholders to vote in favour of the relevant resolutions set out in the notice of the AGM.

### **7. GENERAL INFORMATION**

Your attention is drawn to the additional information set out in Appendix I and Appendix II to this circular.

Yours faithfully,  
On behalf of the Board  
**Flying Financial Service Holdings Limited**  
**Zhang Gongjun**  
*Chairman and Chief Executive Officer*

*The following is an explanatory statement required by the GEM Listing Rules to be sent to the Shareholders to enable them to make an informed decision on whether to vote for or against the ordinary resolution to be proposed at the AGM in relation to the grant of the Repurchase Mandate.*

### **1. REASONS FOR REPURCHASE OF SHARES**

The Directors believe that the grant of the Repurchase Mandate is in the best interests of the Company and the Shareholders.

Repurchases of Shares may, depending on the market conditions and funding arrangements at the time, result in an enhancement of the net asset value per Share and/or earnings per Share. The Directors are seeking the grant of the Repurchase Mandate to give the Company the flexibility to do so if and when appropriate. The number of Shares to be repurchased on any occasion and the price and other terms upon which the same are repurchased will be decided by the Directors at the relevant time, having regard to the circumstances then pertaining.

### **2. SHARE CAPITAL**

As at the Latest Practicable Date, the issued share capital of the Company comprised 1,731,432,500 Shares.

Subject to the passing of the ordinary resolution as set out in resolution numbered 4 in the notice convening the AGM in respect of the grant of the Repurchase Mandate and on the above basis, the Directors would be authorised under the Repurchase Mandate to repurchase a maximum of 173,143,250 Shares.

### **3. FUNDING OF REPURCHASES**

In repurchasing Shares, the Company may only apply funds legally available for such purpose in accordance with its memorandum of association and the Articles, the laws of the Cayman Islands and/or any other applicable laws, as the case may be.

### **4. IMPACT OF REPURCHASES**

There might be a material adverse impact on the working capital or gearing position of the Company (as compared with the position disclosed in the audited accounts contained in the annual report of the Company for the year ended 31 December 2020) in the event that the Repurchase Mandate is to be carried out in full at any time during the proposed repurchase period. However, the Directors do not intend to exercise the Repurchase Mandate to such extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or the gearing levels which in the opinion of the Directors are from time to time appropriate for the Company.

**5. TAKEOVERS CODE**

If a Shareholder's proportionate interest in the voting rights of the Company increases when the Company exercises its powers to repurchase Shares pursuant to the Repurchase Mandate, such increase will be treated as an acquisition for the purposes of Rule 32 of the Takeovers Code. As a result, a Shareholder or group of Shareholders acting in concert could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 or Rule 32 of the Takeovers Code.

Should the Directors exercise the proposed Repurchase Mandate in full, to the best of the knowledge and belief of the Directors, on the basis that the shareholdings of Mr. Zheng Weijing, holding 40,630,202 Shares, and Ming Cheng Investments Limited, a company wholly-owned by Mr. Zheng Weijing and the largest substantial shareholder of the Company holding 367,739,567 Shares, representing in aggregate approximately 23.59% of the issued share capital of the Company as at the Latest Practicable Date, remain the same and there is no change in the issued share capital of the Company, the aggregate shareholding of Mr. Zheng Weijing and Ming Cheng Investments Limited would be increased to approximately 26.21% of the reduced issued share capital of the Company. Such increase would not give rise to an obligation of such Shareholders to make a mandatory offer under Rule 26 of the Takeovers Code.

Based on the information set out above, the Directors are not aware of any Shareholder or group of Shareholders acting in concert, who may become obliged to make a mandatory offer under Rule 26 of the Takeovers Code as a consequence of any purchases pursuant to the Repurchase Mandate.

**6. GENERAL**

None of the Directors or, to the best of their knowledge after having made all reasonable enquiries, any of their respective close associates (as defined in the GEM Listing Rules) have any present intention to sell any Shares to the Company in the event that the grant of the Repurchase Mandate is approved by the Shareholders.

The Company has not been notified by any core connected persons (as defined in the GEM Listing Rules) of the Company that they have a present intention to sell any Shares to the Company, or that they have undertaken not to sell any Shares held by them to the Company in the event that the grant of the Repurchase Mandate is approved by the Shareholders.

The Directors have undertaken to the Stock Exchange to exercise the power of the Company to make repurchases of Shares pursuant to the Repurchase Mandate in accordance with the GEM Listing Rules and the applicable laws of the Cayman Islands.

**7. MARKET PRICES OF SHARES**

The highest and lowest prices per Share at which the Shares have traded on the Stock Exchange in the last 12 months were as follows:
