

Uxin Announces Inclusion in MSCI Global Small Cap Index

November 30, 2021

BEIJING, Nov. 30, 2021 (GLOBE NEWSWIRE) -- Uxin Limited ("Uxin" or the "Company") (NASDAQ: UXIN), a leading nationwide online used car dealer in China, today announced that it will be included in the MSCI Global Small Cap Index - China Index, effective after the U.S. market close on November 30, 2021.

Mr. John Lin, Chief Financial Officer of Uxin, commented, "Uxin's inclusion in the MSCI Global Small Cap Index - China Index represents another key milestone, and a strong testament to the success of our business transformation into an inventory-owning model since last year. Uxin was the first Chinese used vehicle company to be publicly listed in the U.S. Over the past decade since our inception, our unwavering passion and laser-focused mission has been to empower people to easily purchase the car of their choice online. Our customer-centric practices continue to drive the optimization of our business model and we are committed to innovate and provide the best products and services that have made us who we are today. This milestone also reflects the confidence of investors in the Company's long term growth strategy and solid nationwide leadership. We thank all our shareholders for their continued support and we will continue to operate the business responsibly and sustainably to deliver long term value to all shareholders."

With over 45 years of expertise in research, data and technology, MSCI is a leading provider of critical decision support tools and services for the global investment community. The MSCI Global Small Cap Index - China Index is a free float-adjusted market capitalization index that is comprised of 254 constituents, and represents approximately 14% of the China equity universe⁽¹⁾. MSCI indexes are among the most respected and widely used benchmarks in the financial industry. The MSCI China Index is also a widely referenced benchmark among institutional investors.
