Cautionary Statement Regarding Forward-Looking Statements

This press release contains forward-looking statements within the meaning of U.S. federal securities laws. Such forward-looking statements include, but are not limited to, the financial statements of UpHealth, its product offerings and developments and reception of its product by customers, and its expectations, hopes, beliefs, intentions, plans, prospects or strategies regarding the future revenue and the business plans of UpHealth's management team. Any statements contained herein that are not statements of historical fact may be deemed to be forward-looking statements. In addition, any statements that refer to projections, forecasts, or other characterizations of future events or circumstances, including any underlying assumptions, are forward-looking statements. The words "anticipate," "believe," "continue," "could," "estimate," "expect," "intends," "may," "might," "plan," "possible," "potential," "predict," "project," "should," "would" and similar expressions may identify forward-looking statements, but the absence of these words does not mean that a statement is not forward-looking. The forward-looking statements contained in this press release are based on certain assumptions and analyses made by the management of UpHealth in light of their respective experience and perception of historical trends, current conditions, and expected future developments and their potential effects on UpHealth as well as other factors they believe are appropriate in the circumstances. There can be no assurance that future developments affecting UpHealth will be those anticipated. These forward-looking statements involve a number of risks, uncertainties (some of which are beyond the control of the parties), or other assumptions that may cause actual results or performance to be materially different from those expressed or implied by these forward-looking statements, including the mix of services utilized by UpHealth's customers and such customers' needs for these services, market acceptance of new service offerings, the ability of UpHealth to expand what it does for existing customers as well as to add new customers, that UpHealth will have sufficient capital to operate as anticipated, and the impact that the novel coronavirus and the illness, COVID-19, that it causes, as well as government responses to deal with the spread of this illness and the reopening of economies that have been closed as part of these responses, may have on UpHealth's operations, the demand for UpHealth's products, global supply chains and economic activity in general. Should one or more of these risks or uncertainties materialize or should any of the assumptions being made prove incorrect, actual results may vary in material respects from those projected in these forward-looking statements. We undertake no obligation to update or revise any forward-looking statements, whether as a result of new information, future events, or otherwise, except as may be required under applicable securities laws.
