

FDJ Gaming Solutions signs agreement to launch the digital lottery games vertical of Eesti Loto

Boulogne-Billancourt, August 19th, 2021 - FDJ Gaming Solutions announced the signature of a contract with Eesti Loto, the Estonian lottery operator, for the provision of its Interactive Factory.

Eesti Loto will connect to FDJ Gaming Solutions Interactive Factory platform to provide the Estonian players with a steady stream of unique and exciting games and create a new digital lottery experience.

Riina Roosipuu, Chief Executive Officer of Eesti Loto, said: "The philosophy of the Eesti Loto is to act responsibly and innovatively. Following a competitive tender process FDJ Gaming Solutions came up with the most suitable business proposal and we are happy to start a cooperation with (such) a professional and innovative partner to launch an attractive digital game offer for our players."

Pascal Blyau, Chief Executive Officer of FDJ Gaming Solutions France, added: "We are delighted to have been selected by Eesti Loto in a country where digital is everywhere, and we will work hand in hand to develop their business thanks to our continuous stream of innovative gaming content. This marks a further expansion of FDJ Gaming Solutions Interactive Factory to more lotteries in Europe where our presence is growing fast."
