## HEALTHCARE IN THE TUSCANY REGION: COMPUTERISED MANAGEMENT IN THE SOUTH EAST AREA

### FRAMEWORK CONTRACT OF EUR 34 MILLION AWARDED TO THE CONSORTIUM LED BY GPI

Trento, 21 June 2021

The **GPI Group** (GPI:IM), a company listed on the MTA market that is a leading provider of Information Systems and Services for Health and Social Care, is pleased to announce that it recently concluded the first agreement implementing the framework contract for the management of the assistance, maintenance and lease service for computer workstations and communications tools for Organisations within the Tuscan Regional Health Service relating to the Greater South East Area.

The project, awarded in early 2021, was assigned to the consortium led by the GPI Group and including TIM, TRII and Computer Care. The economic agreement sets a maximum value of EUR 34 million to be disbursed under individual implementing agreements. The first is equal to EUR 10.2 million for four years, with a 70% share for GPI.

Under this new contract, the GPI Group will increase the presence of its solutions and services in the Tuscany area, which it already serves through other important projects: its Local Social and Healthcare patient management system; maintenance and development of solutions within hospital information systems; and creation of the Labour Information System for the Region of Tuscany in collaboration with other companies.

#### THE GPI GROUP (GPI:IM)

GPI is the preferred partner for software, technologies and services for Healthcare, Social Services and the Public Administration. Founded more than 30 years ago in Trento, GPI has grown through significant investments in M&A (in Italy and abroad) and R&D, which it carries out in partnership with leading Italian research centres and universities to share scientific, technological, functional and process knowledge applied to the e-health, e-welfare, well-being sectors.

Also drawing on the solutions and know-how gained from the companies that have joined its ecosystem, the Group has masterfully translated the needs of the healthcare industry into cutting-edge high-tech solutions and new service models that optimise prevention, diagnosis and care processes, improving people's lives.

The offer combines specialised IT expertise with advisory and design capabilities enabling it to operate in a range of business areas: Software, Care, Automation, ICT and Payment services.

The Company reported consolidated revenues of EUR 271 million in 2020, with over 6,100 employees at year end and more than 2,400 customers in over 60 countries.

GPI was listed on Borsa Italiana in 2016 (AIM segment) and moved to the MTA market in 2018.
