**REPORT ON QUARTERLY ACTIVITIES TO ACCOMPANY APPENDIX 4C**

Key areas of activity during the third quarter of the 2021 financial year were:

- GoGetta operations

The underlying GoGetta business operated profitably during the third quarter of the year, prior to accounting for the remediation costs in respect to the ASIC matter.

The net cash used in operating activities for the quarter was negative \$5.182 million which included \$6.078 million for remediation, legal costs and independent remediation consultant costs which had been substantially provided for at 30 June 2020.

As stated in the ASX release on 7 April 2021, the remediation is expected to be mostly completed by the end of April 2021 and the Court is considering if the \$750,000 agreed by ASIC and GoGetta is an appropriate civil penalty for its contravention of the National Credit Act. Based on these facts and the otherwise positive operating cash flow still being generated by GoGetta, the Group expects to have cash available for substantially more than two quarters.

- SIV Capital on-going

The major focus for the Group will be the finalisation of the remediation program and receipt of the final judgement of the Court.
