

## Payment Business Update: Passengers Can Board the Macau Light Rapid Transit Taipa Line with Macau Pass Card Starting May 24

Macau Daily, May 23, 2022 - “Passengers can board the Macau Light Rapid Transit Taipa line starting May 24 with a Macau Pass card (“MP card”). Sociedade do Metro Ligeiro de Macau, S.A. hopes to provide passengers with a more convenient and flexible travel experience.

Passengers travelling on Taipa line using ordinary MP card can enjoy concessionary fares for ordinary Light Rapid Transit card (“LRT card”), while senior citizens, students and the disabled who hold individual MP card can also enjoy concessionary fares for the corresponding LRT card. Taipa line is now under promotion, during the promotion period, passengers travelling with ordinary LRT card or MP card shall pay MOP 1.5 to 2.5 per journey; students, senior citizens and the disabled are eligible for free travel.”

Officially opened in 2019, Taipa line is about 9.3km long with 11 stations, covering the main residential, old city and tourist areas in Taipa city centre, and connecting Macau's three important ports for sea, land and air. Before the outbreak of the epidemic in December 2019, the average daily passenger capacity was about 33,000, and it started charging operation since February 1, 2020.
