equity stake in leading Australian based private equity firm Five V Capital (**Five V**) (**Preference Shares**) (**Investment**), with an investment of \$65m plus an additional \$10m contingent on a successful second fund raising for Five V's Venture Capital strategy.²

Five V focuses on high growth assets in the attractive small to mid-market and currently has A\$1.1bn FUM following the successful completion of the fund raising process in respect of Fund IV.

Five V is led by principals Adrian MacKenzie and Srdjan Dangubic, supported by a team of investment professionals. The Five V team have consistently delivered strong returns with money multiples of 10.3x and 4.4x across Fund I and Fund II respectively.

Five V specialises in high growth, technology enabled companies and has made 15 private equity and 17 venture capital investments to date, including in businesses such as Education Perfect, Probe Group and Universal Store.

Pinnacle's investment will be used by Five V to support co-investments, business development and growth initiatives, providing an important source of capital and profitability, with no sell down by existing Five V principals.

Following the investment, Pinnacle will have exposure to Five V's Fund III, Fund IV (closed in November 2021) and VC Fund 1, totalling FUM of \$1.1 billion, and future funds raised by Five V. Pinnacle will provide enhanced distribution capabilities and assist Five V with distribution and fund raising.

The Investment is consistent with Pinnacle's strategy of increasing exposure to private capital markets, including private equity. It is expected to deliver attractive returns for Pinnacle shareholders and further demonstrates the flexibility of PNI's model and ability to partner with fund managers across all asset classes.

The conversion of the Preference Shares is subject to a number of conditions associated with retention and fund raising. The Investment remains subject to various conditions precedent and is expected to close prior to the end of November 2021.

PNI Managing Director Ian Macoun commented:

"We are very pleased to have the opportunity to partner with the Five V Capital team led by Adrian and Srdjan. Five V Capital have a proven investment strategy that has delivered exceptional returns and a track record of successful fund raising.

The investment announced today is consistent with Pinnacle's strategy of diversifying into higher growth alternative asset classes such as private equity; and demonstrates the attractiveness of Pinnacle as a trusted partner to fund managers across all asset classes.

The investment made today ensures a strong degree of alignment between Pinnacle, the existing Five V principals and the broader investment management team. Our investment will provide a source of capital for Five V to use for co-investments, growth and business development initiatives. Over time, investment professionals within the Five V group will also have the opportunity to buy a portion of the equity currently held by Adrian and Srdjan, enhancing internal alignment and promoting longevity and consistency of performance."

² The \$10m is payable upfront but must be repaid by Five V if the fund raising milestone is not met.

Five V founder Adrian MacKenzie commented:

“We are delighted to be partnering with Pinnacle for the next stage of our journey. Culture and a shared philosophy are critical to any partnership and we feel that Pinnacle are a natural fit. We are flattered that we have been invited to sit alongside Pinnacle’s other managers given their excellent track record and best of breed reputation.

The primary capital investment in Five V will enable us to now invest our balance sheet alongside the significant team investment in our funds. This creates even greater alignment with our investors and with our management teams, founders and partners. We see significant opportunities to invest and grow in our part of the market and this capital will allow us to further execute our strategy and make great investments. We also look forward to working together with the Pinnacle team on distribution and fund raisings in the future.”

Institutional Placement

PNI has today launched a fully underwritten institutional placement (**Placement**) of approximately 6.3 million new fully paid ordinary shares (**New Shares**) to raise A\$105 million equivalent to 3.3% of the existing shares on issue.

The Placement will be conducted at a price of \$16.70 per share representing a 4.6% discount to the last close on 22 November 2021 of \$17.50 per share and a 7.6% discount to the 5-day VWAP to 22 November 2021 of \$18.08 per share.

Proceeds from the Placement will fund the investment in Five V Capital and replenish balance sheet capacity that was used to fund the acquisition of the 25% stake in Coolabah in 2019.

Following completion of the Placement and investment in Five V, Pinnacle will have approximately \$150m in cash and liquid funds managed by Affiliates, providing flexibility to continue investing in growth initiatives.

New Shares issued under the Placement will rank equally with existing shares on issue. The Placement is within PNI's placement capacity, and accordingly no shareholder approval is required in connection with the Placement.

Concurrently with the Placement, Adrian Whittingham will be conducting a fully underwritten sell down of 875,000 Pinnacle shares at the Placement Price, which is worth \$14.6m (**Sell-down**). Adrian has committed to the Board of directors that he will not sell any further shares that he holds in PNI at any time in the 12 months following settlement of the Sell-down.

The Placement and Sell-down are being conducted today, Tuesday 23rd November 2021, with PNI's shares to remain in a trading halt pending completion of the Placement and Sell-down.

Macquarie Capital (Australia) Limited and Wilsons Corporate Finance Limited are acting as Joint Lead Managers, Underwriters and Bookrunners in respect of the Placement and Sell-down. Blackpeak Capital acted as financial adviser in respect of Pinnacle's investment in Five V.

Share Purchase Plan

Following completion of the Placement, PNI will also offer eligible shareholders the opportunity to acquire up to \$30,000 in New Shares via a Share Purchase Plan (**SPP**). Applications under the SPP will be subject to scale back at Pinnacle's absolute discretion. The SPP offer period will commence on 30 November 2021 and conclude on 15 December 2021. The terms, including the timetable, of the SPP will be set out in the SPP booklet, which will be lodged with the ASX and sent to shareholders in due course. The New Shares offered under the SPP will rank equally with existing PNI shares on issue.
